Re: Public Records Request

Dear Brigadier General McGuire,

On behalf of Pegasus Equine Guardian Association, and pursuant to the Freedom of Information Act, 5 U.S.C. § 552, *et seq.*, we hereby request any and all information, in whatever form, electronic or otherwise (including telephone call messages, text messages, email messages, meeting agendas, etc.) related to the following:

1. All public comments submitted in relation to the U.S. Army's plan to remove all wild or other horses from the Kisatchie National Forest and/or Fort Polk,
2. All data on the origin and roaming patterns of the horses located at the Kisatchie National Forest and/or Fort Polk, and
3. All information on the status of horses that have been removed from the Kisatchie National Forest and/or Fort Polk.

Disclosure of the information sought by this request is in the public interest because it is likely to lead to significant information concerning the impact of the removal of wild and other horses on the Kisatchie National Forest and Fort Polk ecosystem and on the horses themselves. The purpose of this request is not in the commercial interest of Pegasus Equine Guardian Association. Therefore, we request a waiver of any fees connected with this request. If for any reason our request cannot be handled free of charge we request immediate written notification of the reasons behind the denial and an estimate of the cost that will be involved prior to any copying or reproduction of documents or other materials. We prefer that documents be produced in electronic format where possible.

If you withhold any documents responsive to this request, please describe the material withheld and specify in detail the statutory or administrative basis for withholding each. All non-exempt portions of documents should be provided.
