Dear Ms. Hall:

On March 30, 2018, I received your Freedom of Information Act (FOIA) request dated December 21, 2017, seeking copies of documents related to horse removal from Kisatchie National Forest or Fort Polk, Louisiana, and status of horses that have been removed from those same areas since May 1, 2016. The Fort Worth District forwarded your request to me for a determination regarding your request for a fee waiver.

After reviewing your request, I have determined to grant a fee waiver for this request.

Fee waiver requests are granted on a case-by-case basis, and any future FOIA requests you may submit which include a request for fee waiver will be reviewed at the time of submission.

I am furnishing a copy of this response to the Fort Worth District FOIA Officer.

Sincerely,

A handwritten signature in cursive script that reads "Nancye L. Bethurem".
